Medical Professional; Track:

This track is focused on teaching the skills needed to run an effective golf-specific medical or rehabilitative program at any health related facility. If you are a Medical Doctor, Chiropractor, Physical Therapist, Osteopath, Sports Psychologist or any professional who works with injured golfers on a daily basis, this is the track for you.

Level 2 classes will focus on golf-specific injured and injury inducing swing mechanics, advanced swing faults, marketing to golf clients, wrist and ankle physical screening procedures and learning our detailed medical evaluation called the "SFMA - Selective Functional Movement Assessment. **Special Note** - if you are already SFMA Certified you do qualify for a discount to this track, Call Ruben at customer service to register.

Level 3 class focused on: Exercise progressions for the SFMA, vision testing and training, nutrition, marketing, and advanced swing analysis.
